

PRACTICAL MAINTENANCE KITS

For vending & coffee machines

Find the complete range on
www.atelitalia.com

WHY BUY A KIT?

SAVE TIME

Do you spend too much time searching for spare parts? We have already pre-selected all the parts you need and packed these in handy kits.

Don't waste time searching for every single item, but have everything ready for use in a single, practical package.

READY-TO-USE

These kits are the ideal solution for your repair shop. They are organized according to the type of work to be carried out on the machine.

Repair your coffee machine, quickly and efficiently. There will no longer be the need to search for a missing piece in your warehouse.

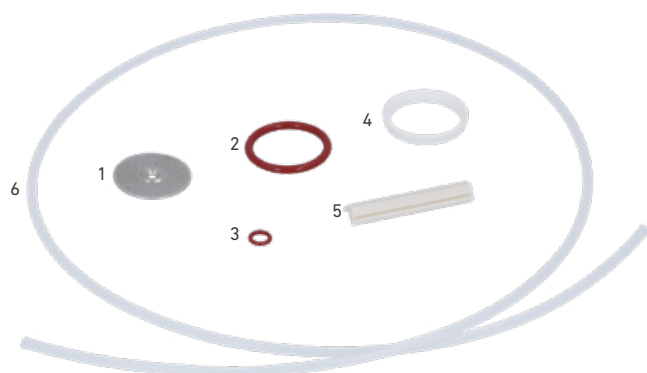

RATIONALIZE YOUR SPACE

This way it is easier to find the material you need according to the type of repair work required.
